

**AA23 Animal Science II Small Animal
Unit B: Objective 3.02 Veterinary Terminology
Honors Portfolio: Medical Terminology Student Study Guide**

Student Instructions:

Student will design and create a veterinary medical terminology study guide using the terminology list provided by the teacher. Students will submit the study guide online via their weebly website. Student study guides must meet the following guidelines:

- Medical terms
- Pronunciation of terms
- Definition of terms
- Picture/Illustration of terms
- 3 examples of term use with definitions
- Study guide must be user friendly, eye-opening, and easy to understand

Suggestions:

- Board Games
- Computer PowerPoint/Google Slide Game
- Computer study site: study blue, quizlet, etc.
- Illustrated Study Guide on Paper in a Portfolio
- Other suggestions with teacher approval
